

Ramp Agent

Sterling Airways dba Aleutian Airways is led by respected and successful long-time airline professionals with strong financial backing. We seek experienced Ramp Agents who wants to grow in and add excitement to their career. This role offers a unique opportunity to work in Alaska and in an aviation culture of respect, fun, and professionalism. We are setting a new standard in aviation with our guiding principles of safety, reliability, passion, professional excellence, integrity, and respect.

QUALIFICATIONS:

- Experience as a Ramp Agent in a Part 121 environment preferred
- Ability to perform all physical below duties
- Able to work in extreme conditions, such as hot and cold weather, as well as small spaces
- Ability to lift a minimum of 50 pounds on a consistent basis.
- Ability to work a flexible schedule including weekends, nights, and holidays.
- Must be able to remain calm during adverse conditions.
- Ability to prioritize multiple tasks

WHATS IN IT FOR YOU:

- Top pay with a stable and rapidly growing company that offers career and income growth.
- Get in on the ground floor, enjoy the excitement, challenge, and rewards
- Love who you work with! We have a positive, fun, professional and respectful culture
- Generous company contribution to employee medical insurance, dental, vision and supplemental insurance benefits at low cost available, company contribution to HSA, 112 hours of PTO annually, 401K, tuition discount

RESPONSIBILITIES:

This position will report to the Lead Ramp Agent or Station Manager

- Aircraft Marshalling and Wing-walking
- Loading and Unloading of Aircraft
- Familiarizing and hands on training on the safe operation of ground equipment (specific to equipment being operated)
- Aircraft servicing (includes catering)
- Ramp operations including safety rules, ramp markings (signs, signaling devices, lights and blast fences), equipment operating rules and procedures for positioning ground equipment around aircraft
- Local airport rules and regulations (speed limits, roadways, etc.)
- Deicing Training in cold weather stations as per the Deice Manual (DIM)
- Be familiar with aviation security, weight and balance programs.
- Report safety hazards concerns, hazards, near misses, incidents, and accidents to immediate Supervisor.
- Protect passenger baggage from damage, loss and weather conditions
- Report equipment problems to the AIC or the Station Manager.

Pay depends on experience.
